

DANIEL HERBERT

Harlow, Essex | 07415 492711 | danjdherbert@gmail.com | danherbert.co.uk

Digital content & Marketing specialist. 10+ years of experience in social media, video editing, and digital marketing. Including: writing scripts for one of the largest pop-culture channels on YouTube, as well as managing all social platforms and digital advertising for one of the largest online Power Tool retailers in the UK. I've also taught social media & marketing practices to college students and teachers, as well as creating content for charities & fundraisers.

EXPERIENCE

2025 - Present

Marketing Coordinator – ITS (Industrial Tool Supplies)

Managing Design & Social Media teams, communicating and overseeing production of all promotional activity. Optimising and automating team workflow. Hiring into Design & Advertising roles. Providing Voiceover for National TV & Radio Campaigns. Planning and executing Klaviyo email campaigns & Meta Ads campaigns. This has contributed to consistent growth across all channels.

2024 - 2025

Social Media & Journalism Teacher – Harlow College

Taught 16-18-year-old Social Media and Journalism students. Encouraged healthy and innovative content creation practices and helped develop confidence for future employment. Wrote and oversaw a new Social Media Course at the College. Conducted Staff Development lessons to demonstrate Canva, presentation skills, and the effectiveness of AI in education.

2021 - 2024

Marketing Content Executive – ITS (Industrial Tool Supplies)

Created and presented YouTube videos to promote sales and certain products stocked at its.co.uk. Posted daily content to social media platforms including Facebook, X, Instagram and TikTok. Animated, designed, and managed paid digital advert campaigns through Meta Ads Manager. Established an ongoing Influencer Marketing program. Managed the writers of the 'ITS Hub' blog and wrote articles to enhance SEO. This work established ITS as the top standard for content creation in the Tool Retail industry.

2017 - 2019

Co-Founder - StarTeam

Launched innovative monthly subscription service for WWE Games content. Built promotional partnership with WWE 2K to assist community development. Produced weekly gaming content as well as becoming lead editor on larger-scale productions such as the UNITE Inception event. Promoted daily content on social media including merchandise, custom graphics, and more.

2017 – 2018; 2022

Script Writer & Shorts Editor – WatchMojo.com

Wrote scripts for pop-culture and gaming videos with the aim to teach and entertain an audience of millions. Heavily researched topics and collated findings into digestible presentations for management. Edited engaging shortform content to assist with the channel's growth on YouTube Shorts.

2015 - Present

Content Creator - Freelance

Developed video production skills and worked on a large variety of projects for brands including Twitch.com (Twitch Rivals), Simon Miller, and Sizzle.gg. Also created videos for Weddings, Professional applications and more.

PROJECTS & FUNDRAISING

2025

£670 raised for CALM (Campaign Against Living Miserably) – 90 Mile Walking Challenge.

2021

Charity Football Match Photography for Mind in West Essex.

2020
